

# Draw it Out!

**Goal:** To create a number book

**What you need:**

- Four pieces of paper
- Crayons, color pencils, or markers

**What to do:**

- Create a “book”
  - Stack the sheets of paper
  - Fold the stack in half
  - Staple the sheets in the crease
- Illustrate your own book of numbers 0 to 12
  - Create a title and cover page for your book
  - Write the number you are drawing, on the page
  - Your pictures can be of anything you can think of! Real or imaginary
- Optional:
  - Have a growing theme that creates a story
  - Keep one thing the same throughout your book
